About Us

ForestFreeman Enterprise (HK). Ltd established in 2010, which is a professional company on designing, producing and selling all types of leather and artificial leather products such as swagger bags; wallet; gift package; luggage upright; and so on. We dedicated ourselves to provide the high-quality products and service with competitive price, fast and on time delivery, and the small-lot orders are acceptable.

We own a management and design team, which were assembled professional people who graduated from university in China, Australia and England. We could custominely design a characteristic product based on your industry, business style, marketing promotion topic, or provide a series of efficient promotion projects to help you to achieve your business objective.

We offer:

- Fashion bag with all kind of PU, PVC, Leather, Canvas, Oxford Fabric and so on.
- Fashion female's bag, Male's business bag and Belts.
- Leather promotional gift, eg: Wallet, Namecard holder, Leather Notebook, Laptop Bag.
- Traveling case, luggage upright, briefcase.

We promise:

- Involves following the whole process of order to ensure high quality products.
- To satisfy customers will be our primary principle.
- Reasonable cost to keep your competition advantage.
- On time goods delivery.
- A fashion products design.
